SNACKS!

This year we have partnered with Austin at Community Connections to reduce our overall waste from packaged snacks. He has provided us with homemade versions of the snacks we were previously being donated from the grocery stores in town. We are continuing to partner with the local grocery stores for all of our fresh items like fruits, vegetables and cheese. Thank you Austin, Save-On & Southside!

Thank you!

A big shout out to Silverwinds for their donation of hand sanitizer in September. A supply of hand sanitizer helps us keep germs away and allows us to clean our hands before eating our daily snacks of fruits, vegetables, cheese and muffins!

Thank you Silverwinds!
