## Baking Snacks!

On our Pro D day we took the opportunity to make some snacks together.

The kids helped add ingredients, mix them together, pour the mixture and bake the banana chocolate muffins.

Getting kids into the kitchen to create has been a fun new addition to our longer program days.

Stay tuned to see what we make next!

## Outdoors v.s Indoors

With winter on its way and the time change our days are starting to get shorter. We all love playing outside but sometimes we need to head indoors. Each program has an inside space for our kids to play in during the dark and cold months.

We will still be playing outside everyday so be sure to send your little one with extra warm clothing. Having extra layers makes it so we can continue playing outside until it turns dark!
