RASScals SUMMER CAMP

In 2024, Community Connections has decided not to host Summer camps. Recognizing the increased demand for child care during the summer, they reached out to RASS for assistance. We are excited to announce that RASS, in collaboration with Stoked on Science, will be delivering a Summer Camp to meet this demand. Stay tuned for more information on the upcoming RASS-cals Summer Camp!

Winter Crafting with snow

We love snow!!!

Our programs have been extra happy with all the new fluffy snow that's fallen from the sky. With our new snow molds we have been making some pretty cool sculptures & forts. Even some snow cones have been enjoyed along the way. The days are slowly getting longer which means we are able to stay out longer on the warmer weather days!
