APRIL 1ST STAT HOLIDAY

RASS will be closed today for Easter Long Weekend.

It's been a wild February for weather. With such warm temps we have really been getting creative with our snow play. We have even been able to do more of our crafts outside again!

With little snow - it means more mud play! Our days have been filled with mud cakes, mud slides & choc. flavoured snow cones!

The group went exploring down to the beach for some mid winter sand beach play. The afternoon was filled with kitchen experiments making valentines chocolate bark.

Thank you:

This month we have received a lovely donation for our CPE group. Thank you to the Allen Family for their generous donation of an entire play kitchen. The kids have been loving playing with it. It brings so much joy and imaginative play to our indoor space at the church.
- Thank you.

Thank you:
To Izzy and her family for bringing in her guinea pigs! The kids were so excited to meet them and feed them lettuce. So cute!

Thank you:

Thanks to the Okanagan College and our instructor Tim for providing our staff with an opportunity to take the Children's specific First Aid & CPR. We had a great experience and we appreciate how easy it is to work together and keep our community educated!
