## APRIL ACTIVITIES AND ADVENTURES

## 3 SUN SAFETY ACTIVITIES TO TRY WITH YOUR KIDDOS

1. Sun Safety Relay Race – Set up a relay where kids must “gear up” with sun-safe items like a hat, sunglasses, and a water bottle before tagging the next runner.
2. Make Your Own Shade – Challenge kids to build a mini sun shelter for a toy using craft supplies like cardboard, cloth, and popsicle sticks.
3. Sunscreen Painting – Let kids “paint” sunscreen onto paper with UV-sensitive ink and leave their creation outside in the sun to see what happens!

## THANK YOU TAMIA!

We want to extend a big thank you to Tamia for her time and contributions as the BVE K-1 Center Manager over the past year! Her care and commitment have made a lasting impact on our program, and we wish her all the best in her next steps.

You may still see her around, as she'll continue supporting RASS as an on-call staff member!

For the remainder of the school year, Val and Kianne will be stepping in as the acting BVE K-1 Center Managers. If you have any program-related questions, concerns, or attendance updates, please contact us at [info@revyafterschool.ca](mailto:info@revyafterschool.ca).

THANK  
YOU  
😊

RASS would like to extend a big thank you to Parks Canada for visiting each of our programs and sharing their knowledge about bugs and egg-laying animals—it was a fun and fascinating experience for everyone! We truly appreciate their time, enthusiasm, and the hands-on learning they brought to our groups.
