

## Summer Camp Wrap Up

As we head into September we can reflect on another successful season of summer camps. Kids enjoyed a wide range of activities focusing on expanding creativity, building teamwork skills, learning about the environment, and of course, having fun. From arts and crafts to water play and outdoor games, every moment was an opportunity for joy and discovery. Our team worked hard to ensure that each day was filled with adventure, learning, and laughter.

Many thanks to the special guests who visited our camps to help expand our learning and continue to grow important relationships within our community. Thank you to Trevor from Rize Skateboards, Wildsight, Revelstoke Nordic Centre, Revelstoke Mountain Resort, Revelstoke Visual Arts Centre, Bear Aware, Parks Canada and Ron at Bee Kind Honey Bees.

As we prepare for the school year ahead, we're thrilled to see the smiles on the kids' faces and hear their stories of RASS-cals Summer Camp excitement. We are so grateful for the enthusiastic support from our campers, their families, and our partners in the community.
