Fundraiser

After the success of our women's hockey fundraiser last year we will once again be teaming up with the Revelstoke Kodiaks to provide a fun night of hockey for the community whilst also raising important funds for our program.

This year we are partnering with the stoke youth network to make this event even bigger and better than last year.

Whilst it has been an unseasonably warm, wet December we have still managed to get into the holiday spirit this month with cookie decorating and lots of seasonal crafts. A lucky few even got to experience the holiday train together!

Early December we enjoyed the fresh snow with snowmen, fort building and digging, lots of digging! With 2 early dismissals for Ecole Des Glaciers this month we were able to spend some quality time with our french speaking friends exploring snowy trails, building forest forts, swinging in hammocks and exploring tech in the library.

We are grateful for our forest shelters where we are able to enjoy time outside year round. We are looking forward to more snow and adventures in the new year!

Happy Holidays from everyone at RASS, we look forward to seeing you in the New Year!!

HAPPY New Year

We can't wait to see you on January 5,
2026!
