WHAT HAVE WE BEEN UP TO?

With the drier, warmer weather it has been an exciting month of outdoor adventures. Some of us were lucky enough to bike, scoot and skate our way to Kovach park while others explored the river and searched for tree hammocks. We have hunted for Easter eggs, practised our photography skills and had lots of forest time building forts and crafting with sticks. Earth day was celebrated with seed planting and rock painting in the sun. We are looking forward to lots more adventures as we move into the warmer months.
