What a great first month! It is wonderful to have all of our old friends back and welcome lots of new ones! The warm weather has been perfect and has allowed us to spend all of our time outside - exactly where we love to be!

THANK
YOU!

A huge thank you to the Revelstoke Family Pharmacy for restocking our first aid kits and helping us prepare for the inevitable bumps and scrapes that come with having so much fun outside!

What an amazing community we have! Thank you so much to everyone that donated craft supplies and yarn to the program. We cant wait to see what the kids create!

THANK
YOU!

RASS Revelstoke After School Society

WELCOME

Welcome Kacey, our student volunteer!
We are lucky to have Kacey join us after school at BVE to help with our K-1 group.

Cooler weather:

As we move into the cooler months, it is essential to ensure that our students are dressed appropriately. We play outside in all weathers and want to keep our children happy and comfortable. The better dressed our kiddos the more time we can spend outside. We kindly request your cooperation in sending them to school with warm and waterproof clothing.

You may also want to consider packing an extra set of clothing in your child's backpack, just in case they are already wet from school recess.
